April's Social Event
hosted by **Mlgardener**

Spring in the Blue Water Area!

Spring is here, and our Y.P.s are
excited!

For our April Social Event, we were able to visit Mlgardener (located in Downtown Port Huron) and try our hands at planting our own succulents. Thank you again to our gracious host!

We know we are all working hard to remain healthy and safe during these crazy times and are still looking forward to our community involvement moving forward this year!
